PROFILE

I just finished the *Software Engineering Immersive* course at GA. Now I am looking for a junior position preferable as a *Frontend*, but I am also keen to work as a *Backend*. The kind of company that I want to work with cares about its employees as much as it does about the technology.

EDUCATION

GA - General Assembly, Sydney

March 2019 - June 2019

Degree: Web Developer

University - Escola Superior Dom Helder Camara, Belo Horizonte - Brazil

June 2010 - July 2016
